# AFRO-HAITIAN DANCE WORKSHOP IN SENEGAL

11 - 25 Feb 2025

Djoutala Seydi

Two weeks in the rhythm of the waves and the djembe drums. We offer two weeks of drumming and dance lessons and various excursions! Come and enjoy a sunny and well deserved vacation in winter!

Workshops African dance and Haitian dance for beginners and advanced with Karine LaBel and the artists of Casamance in Senegal. Professional artists from the region provide an authentic and easy access to African dance and the complex and fascinating rhythms of African music. At the center of African dance are the many symbolic gestures that have been part of festivals and rituals for centuries.

### Location and accommodation

The Afro-dance workshop takes place in the cultural training center „Tily-Boo“ in Kafointine in Senegal on the beach and in the middle of nature between tropical vegetation, huge kapok and baobab trees, palm forests and mangrove swamps. The participants are accommodated here directly in the center Tily-Boo with full board (3 meals) in traditional bungalows (double rooms with shower and toilet, electricity 220V).
